

25 Secrets To Having The Life You Want

These are simple, though not necessarily easy, to learn.

<input type="radio"/>	You will accomplish much more much more easily if you take the time to first strengthen your personal foundation.
<input type="radio"/>	Come to see how perfect your life is today, even if it doesn't look or feel that way.
<input type="radio"/>	Proactively choose the type of energy that you want to use during your life.
<input type="radio"/>	Decide that you want to learn, continuously and forever. Then choose to learn how to learn.
<input type="radio"/>	Reorient your life around the gifts you have, no matter what they are.
<input type="radio"/>	Put your integrity first, your needs second and your wants third.
<input type="radio"/>	Let yourself have it all, even if it feels like too much.
<input type="radio"/>	Before you create a future, resolve the past and perfect the present.
<input type="radio"/>	For an effortless life, get more than you need and far more than you deserve.
<input type="radio"/>	Invest 10% of your time to maximize the other 90%.
<input type="radio"/>	Set your goals based on your values, not on coulds, woulds, wills or shoulds.
<input type="radio"/>	Start on your path to financial independence even if it doesn't seem realistic.
<input type="radio"/>	Stop trying to change your behavior, instead, start shifting and evolving.
<input type="radio"/>	Triple your personal boundaries until your heart and spirit have room they need.
<input type="radio"/>	Stop hanging around people who have less to lose than you do.
<input type="radio"/>	Stop waiting for anything. Instead, initiate 100% of the time.
<input type="radio"/>	Solve your problems, even if you didn't cause them.
<input type="radio"/>	Build a community of people who bring out your best without trying to.

<input type="radio"/>	Develop your spirituality in a way that feels right to you.
<input type="radio"/>	Educate your environment until it responds to you the way you like.
<input type="radio"/>	Get love.
<input type="radio"/>	Let your vision set your goals and guide your life.
<input type="radio"/>	Expand your vocabulary so you can be and share yourself.
<input type="radio"/>	Get comfortable with change and chaos.
<input type="radio"/>	Get a coach.
