## Introduction

This report has been written to introduce you to the concepts of astrology and how to get started in relationship astrology. Astrology is a complex and meaningful science which takes years to study and apply successfully; however, we would like to whet your appetite with this report, and encourage you to deepen your understanding through other means.

Astrology is a study of the connection between planets and life on Earth. It is based on a concept that energy patterns form between other planets and Earth and that these energies affect our lives as individuals and communities.

An astrological chart, also known as a horoscope, natal chart, or birth chart, records the relationship between the planets and the signs of the Zodiac. Charts can be calculated for the birth of a person, a community, an event or anything that seems momentous. The horoscope is as individual and unique as a fingerprint.

When using these interpretations, please bear in mind that, inevitably, every chart will contain some contradictory influences, and as a result certain interpretations of different items in the same chart may seem difficult to reconcile. However, this may still be an accurate reflection your chart, as it is likely that you do experience conflicting desires, events and circumstances in your life. Usually it is the responsibility of an astrologer to synthesise these apparent contradictions in order to present a cohesive and realistic interpretation of the dilemmas of the chart.

Please also be aware of the fact that each person has positive and negative influences in the chart, and therefore in their lives. The challenge is to accept and overcome the negative influences, so that we can successfully focus on the positive traits. This report outlines the influence of both people's charts on each other. This is called relationship synastry meaning the comparison of two horoscopes and the correlations discovered. It is likely that the report will show both the strengths and weaknesses of the relationship synastry. Any advice given is meant to be an aid to a person taking responsibility for their own lives and their own choices within a relationship. The ultimate decision rests with each individual. The author and publisher accept no liability for any adverse affects of this report.

Australian astrologer Stephanie Johnson has written the text in this report. Stephanie holds a Bachelor of Arts (Journalism) and was a journalist in Australia, England and the USA for 15 years before becoming a professional astrologer. ## Individual Relating Traits

This section looks at each person's individual relationship concerns in their own personal birth chart. Every individual brings certain needs and expectations into a union, which affect his or her ability to feel loved and supported. This in turn affects the nature and course of the relationship.

### Traits of Jessica

#### *Venus is in the 2nd House*

When the planet Venus is placed in the second house of your birth chart you value beautiful possessions, in particular fine jewellery, decorative objects and works of art. You've an eye for beauty, which you apply to acquiring personal possessions. You don't want to own objects merely for their monetary value, although they are likely to be valuable. You like to be surrounded by beautiful items, which uplift your spirit reminding you of the world's pleasures. You're not necessarily selfish in your endeavours to acquire beautiful objects, but are often willing to share your pleasure with other people. It's fortunate that you're likely to attract enough good fortune to be able to afford a few luxuries in life. Depending on other influences in your life, money usually comes readily either through your own efforts, your primary partnership or gifts from friends. You'll value any relationship, which helps contribute to your emotional and financial security.

#### *The Moon is in the 7th House*

The Moon is placed in the seventh house of your birth chart suggesting that your primary relationship plays a key role in your life, dominating your moods and actions. It's likely that you marry at a young age, but if not you put a lot of time and energy into searching for the right person to share your life. The life of the single person isn't an easy one for you and you can be quite restless in your endeavours to find a partner. If you're married then you're sensitive to the feelings of your partner and keen to put them at their ease. You're likely to either adapt your behaviour to please your partner, or to rebel against his or her influence. The influence is the same in that his or her behaviour is dictating your mood swings. The problem is that you can allow your primary relationship to be too dominating, sacrificing your own needs and desires to the other person. At worse, your partner is fickle and not worth the effort that you're expending. This is an extreme representation of the astrological influences. It's also likely that your partner is simply changeable and of an unsettled nature, seeking change and stimulation through travel and work. Therefore you simply need to reassess your priorities and to work towards a balance between loving compromise and self-assertion. You need to seek a partner

who honours your emotional needs. You need also to be wary of letting your relationship with a woman, possibly your mother or mother-in-law, influence your marriage or potential marital partners. Knowing your own heart and feelings helps considerably in these situations. In ancient times the Moon was considered to be in a strong position when placed in the seventh house of a chart, meaning that you're in a strong position to achieve your personal ambitions. This, of course, depends on other influences in your birth chart.

### *Venus is in Aquarius*

With Venus in the sign of Aquarius you're a social being by nature, enjoying friendships with people from all walks of life. This of course depends on other influences in your chart, which may indicate a preference for solitude. However, on the whole you're likely to flourish in groups of people because you make friends so easily. In other words you're a real party animal. You love to organise social events with your friends, and often receive invitations to various social events. You're the sort of person who talks to the person sitting next to you on the bus, easily striking up a conversation with a total stranger. Whether introverted or extraverted by nature you're particularly interested in sharing cultural and intellectual pursuits with your friends. It's important that you've the freedom to pursue your many friendships, and attend your group and social functions; otherwise you become restless and bored, and consequently rebellious. In fact you can also be quite stubborn, particularly in your intellectual views. At times you are given to excess, particularly in your younger days. For these reasons your primary partner in life needs to be someone who is intellectually stimulating and who understands your social butterfly urges, and is happy giving you plenty of room to spread your wings. You may find yourself attracted to unusual people, and possibly choose a partner, who's out of the ordinary.

## Traits of Justin

### *Venus is in the 5th House*

When the planet Venus is placed in the fifth house of your birth chart, relationships with children are important. You've a gift for enjoying life's pleasurable pastimes; possessing an almost child-like sense of awe at all the world has to offer in the way of fun and beauty. You delight in social interactions and value outings to art galleries, the theatre, musical concerts and ballet performances. This joyful side of your nature is highly appealing, and you're never short of a playmate or two to join in your escapades. Children, in particular, warm to your engaging nature somehow sensing a kindred spirit. Therefore you're likely to be surrounded by children throughout your life, either your own or other people's. Depending on other influences in your birth chart, you're likely to enjoy a fruitful union resulting in beautiful children. Love affairs also feature in your life, providing you with much pleasure and perhaps some creative inspiration.

### *Mercury is in the 7th House*

The planet Mercury in the seventh house of your chart signifies that relationships play an important role in your educative process. As a child this could be a significant relationship with a teacher, or one of your parents playing a major role in your education. As you mature, personal and business partnerships are likely to be lively, providing you with plenty to think about. This is fortunate because you are seeking intellectual stimulation in your primary partnership. Talking and sharing ideas with your partner is important, and you are likely to choose your primary partner for his or her ability to communicate with you on an intellectual level rather than for emotional support. As a result you learn much from your intimate relationships, although life with your primary partner could be quite unsettled at times. You may meet your partner while traveling or through writing letters. It's also possible that you have to decide between two potential partners, and that you experience quite a bit of difficulty in making up your mind. You need to be wary of getting caught in the middle, and of hurting other people's feelings. Sometimes the position of Mercury in this house can mean that you are attracted to someone much younger. Business partnerships are also a highlight, with contracts and legal affairs featuring strongly in your life.

### *Venus is in Capricorn*

With Venus in the sign of Capricorn you're shy in relationships, slow to form friendships with other people but, once you've committed to another person, then you're steadfast in your efforts to maintain the relationship.

This is particularly true of your primary relationship. Not one to be distracted by romantic illusions, you may appear to be reticent, almost cold, in the first throes of love. This is partly because you're timid, but it's also because you like to weigh up the pros and the cons to any new relationship. You're a great believer in the adage "actions speak louder than words" and you like to observe other people's actions. You form relationships slowly, but they are enduring. Your heart doesn't rule your head, although you like to think that you've a good balance. This is fortunate because you're ambitious in relationships, seeking a partner who is of good character and good standing in the community. For these reasons you may have more difficulty in your relationships earlier in life, seemingly missing out on the flurry of social contacts being experienced by your more flighty friends. It's later in life that your relationships flourish and you're placed in positions of trust and responsibility through your liaisons with other people, particularly people in authority. It's also later in life that you stand to profit through your relationships, either financially or through promotions in your social standing.

# Synastry Between Jessica and Justin

## Personal Issues

This section looks at the interaction between two people and their two birth charts. It notes the nature of the relationship, whether it is likely to be a successful personal relationship or whether the forces at work are suggesting a less intimate bond. In other words how do these two people come together on a intimate level?

### *Jessica's Moon is Trine Justin's Sun (Orb 5°03')*

This is an ideal combination for a close, personal relationship whether it be a close friendship or love relationship. Jessica and Justin enjoy each other's company and feel that the other person is giving something special to the relationship. They have a lot in common and the ability to share enjoyable times together. Justin is likely to be the more dominant person in the relationship believing his identity and individuality are likely to be enhanced by the association. Perhaps Justin receives emotional support from Jessica which contributes to a greater sense of being alive and an ability to achieve his personal goals. Justin may appreciate Jessica's emotional insights. On the other hand Jessica feels comforted by the relationship, perhaps playing a supportive role and offering emotional insights and comfort. Alternatively Jessica may simply feel secure within the relationship, experiencing a sense of well being. This relationship provides Jessica with a supportive base from which to explore life. Both Jessica and Justin understand each other and enjoy an easy rapport, which augurs well for their association.

### *Jessica's Moon is Opposite Justin's Moon (Orb 7°34')*

This is a difficult combination for close, personal relationships whether they be friendships or love relationships. However it is not unusual to see a connection between two lovers' Moons. Emotional tensions can arise easily through misunderstandings. In the long term unresolved tension can lead to breakdowns in the relationship. Therefore it is important to resolve emotional problems rather than leave them in the hope that everything will turn out all right in the end. The problem is not a lack of care or love. In fact Jessica and Justin can be very much in love and are often baffled as to why they just can't seem to feel secure within a loving relationship. The problem is that both Jessica and Justin seek comfort and emotional satisfaction in different ways. This is where the misunderstandings arise. Perhaps one of them likes action in times of stress while the other likes to withdraw and ponder on the best path forward. Possibly one person wants to seek comfort in the arms of their loved one when faced with life's stresses, while the other wants to create some

alone time. Whatever the manner in which Jessica and Justin seek comfort it is likely to differ from each other. There is a positive side. This combination enables Jessica and Justin to develop a better understanding of the each other, particularly if they can maintain a compassionate and understanding approach. It is also possible that other aspects of their personal charts mean that they enjoy a little spice in life. Perhaps a little tension is better than a void? If both people are committed to working through emotional problems this can lead to a satisfying and rewarding relationship.

### *Justin's Sun is Conjunct Jessica's Mercury (Orb 3°54')*

The importance of communication in relationships cannot be emphasised enough. Without understanding of another person's point of view and the ability to communicate one's own thoughts and feelings a relationship can easily break down. This is an ideal combination for harmonious communications in a relationship. Justin and Jessica are able to communicate with ease, understanding how the other person thinks and sharing many of the same opinions. On the occasions when Justin and Jessica do disagree, they do so with a respect for each other's point of view. Justin and Jessica enjoy learning from each other and may take part in a shared activity or pastime from which they both learn about themselves and life. Both Justin and Jessica enjoy listening to each other, as well as talking. They may also enjoy writing notes to each other. Together they learn a greater understanding of each other and themselves. Justin has a great respect for Jessica's intellectual prowess and may even help her to develop her mental skills. Justin knows that Jessica helps him to shine more in his own life through the intellectual stimulation that comes from this relationship. In response Jessica knows that Justin's sunny personality stimulates her and that she is appreciated. Justin helps her to grow in her awareness of the world.

### *Justin's Sun is Trine Jessica's Mars (Orb 6°25')*

This combination of the Sun and the planet Mars is a positive one for a working partnership that calls for concentrated effort on a joint project. It also ignites a strong sexual spark for a personal relationship, one that continues to flare throughout the union. It is an exciting combination. There is never a dull moment when Justin and Jessica are together. They love and fight with energy. Justin and Jessica are hard working and energetic, achieving more together than they can on their own. Together Justin and Jessica are able to tackle most of life's challenges with confidence and a positive attitude, taking the initiative, rather than sitting back and waiting for things to happen. Together they also enjoy taking few risks in life, particularly ones that satisfy their sense of adventure. They need only be wary of becoming too impulsive, of taking unnecessary risks that lead to dangerous ground. Justin feels that Jessica provides the impetus and drive to help achieve his full potential. Justin is aware that his personality also helps Jessica achieve her goals. Jessica is excited by Justin's powerful personality and is inspired in her ambitions. This is certainly a progressive relationship that makes an impact on both Justin and Jessica and those around them.

### *Jessica's Venus is Conjunct Justin's Venus (Orb 4°33')*

This is an ideal combination for a love relationship, providing the spark for an instant attraction. Ancient astrologers considered the planet Venus to have most beneficial effects and this could be seen clearly in relationship astrology. Both Jessica and Justin are attracted to each other, seeing the very best of herself or himself reflected in the other person. They enjoy each other's company, making the most of their joint interests. Jessica and Justin are likely to enjoy various pleasurable outings ranging from alfresco meals to visits to the theatre. As long as they are together they are happy. Jessica and Justin are in agreement on how their relationship should be approached e.g. the blend of freedom and closeness, intellect and emotion, personal time and social activities to name a few. This combination is most ideal for a long-lasting love relationship, indicating many years of happiness. It is also beneficial for a friendship in which both people can enjoy each other's company. Even so the friends need to respect other people's rights, otherwise there is a temptation for them to act like lovers when they are not, thus alienating their partners and other friends.

## Primary Forces

In addition to the intimate aspect of a relationship, there are usually a number of fundamental driving forces, which can be either major challenges or inspirations to the individuals involved. This section looks at how Jessica and Justin stimulate and provoke each other.

### *Jessica's Moon is Trine Justin's Jupiter (Orb 6°48')*

This is a positive combination for any relationship enabling Jessica and Justin to overcome any obstacles in life and embrace the happiness of the present moment. Jessica and Justin enjoy each other's company and feel a certain zest for life when together. They share a need for fun-filled adventures and the capability of achieving their goals. Jessica and Justin feel that the world is their oyster that is ready to explore together. This can include holidays in far-away places, adventure travel and also encompasses any activity that expands their minds and views of life. This is a meeting of higher-minds. Jessica feels that Justin expands her horizons. Jessica feels safe and appreciated in this relationship. Justin knows that Jessica is a comrade in arms when it comes to fun and adventure. Justin feels that he is truly appreciated for his generosity and optimism. Together Jessica and Justin can conquer the world. Nothing seems too far-fetched. This combination augurs well for a long lasting and happy relationship.

### *Justin's Moon is Conjunct Jessica's Neptune (Orb 2°09')*

Romance is a major theme in a union which involves the Moon and the planet Neptune. With this combination of planets Justin and Jessica both feel that they are meant to be together. Perhaps they believe that it is a union of their souls. This is the height of romantic love. Justin and Jessica intuitively understand each other and as a result their relationship proceeds from the start in a gentle and loving manner. They may simply enjoy relaxing in each other's company or together Justin and Jessica may enjoy creative and harmonious pastimes which enhance their union bringing joy and fulfilment. They could work jointly on an artistic, musical or spiritual project, or simply share an inspirational hobby. Either way, they are drawn to each other in a way that is not logical. At times they may even feel as though they have a psychic connection. Justin feels inspired by Jessica to the point of longing to be in Jessica's company. Jessica intuitively understands Justin's emotional needs and relates to Justin in a caring manner. This is a harmonious relationship. Problems can occur if Justin becomes overly dependent on Jessica. However, on the whole it augurs well for a personal relationship which thrives on mutual love and understanding.

### *Jessica's Moon is Trine Justin's Pluto (Orb 7°13')*

This is an intense and powerful relationship. Jessica and Justin feel a strong attraction to each other, one that seems to constantly draw them together. Sexual attraction may be powerful. Jessica's and Justin's deep feelings for each other need to be nurtured in a loving manner in order for the union to be long lasting. This relationship can be a positive or a negative experience, depending on how Jessica and Justin handle intense

feelings. Some individuals thrive on intensity, while others feel threatened and powerless. Jessica is likely to feel that Justin has transformed her life in some way. It's possible that Justin has changed the way that Jessica feels about the world, making her conscious of things that have been bubbling under the surface for a long time. Life is not the same for Jessica once she encounters Justin. Jessica is able to see through the explosive behaviour to the true heart of Justin and to nurture Justin's goodness in ways that he has not previously encountered. As a result Justin deeply appreciates the emotional support offered by Jessica. This is indeed a passionate union.

### *Jessica's Moon is Opposite Justin's Neptune (Orb 6°56')*

Romance is a major theme in a union that involves the Moon and the planet Neptune. With this combination of planets Jessica and Justin both feel that they are meant to be together. Perhaps they believe that it is a union of their souls. This is the height of romantic love. However, with romantic love there is always the possibility of disillusionment. Jessica and Justin are likely to stumble across obstacles in this relationship because of unrealistic and overly idealistic expectations of each other. It is difficult for them to maintain the heights of love first attained at the beginning of the relationship. Misunderstandings can easily arise. After the first flush of love Jessica feels that her emotional needs are being ignored, that Justin does not understand her. It is even possible that Jessica feels that Justin is being deceptive in some manner. There is a danger that Justin does feel the need to hide behind a facade, failing to be his true self. Perhaps Justin feels that he cannot live up to Jessica's expectations. Despair within this relationship needs to be avoided by both Jessica and Justin facing their feelings of loss in previous relationships. They need to face the problems honestly in order to avoid the breakdown of trust and ultimately the relationship. As a result Jessica and Justin may be able to recapture their sense of belonging together which was so strong in the initial stages of their union.

### *Jessica's Sun is Sextile Justin's Chiron (Orb 1°04')*

This is a life-changing relationship that results in both Jessica and Justin being presented with opportunities to heal past wounds in order that they may live fuller and richer lives. Together they enjoy a sense of liberation that comes from truly loving another person. Justin is more likely to take the role of teacher or healer, having a significant effect on Jessica's life choices. In this role Justin is also challenged to take a long, hard look at himself before imparting his wisdom. The adage "physician heal thyself" could be a theme for Justin. In return Jessica learns much from Justin's experiences and insights, perhaps even discovering her true-life purpose. This is true for intimate relationships, and also for student-teacher and patient-healer liaisons. Either way this can be a gentle, loving union based on mutual respect and compassion.

### *Justin's Sun is Square Jessica's Jupiter (Orb 1°48')*

The Sun and the favourable planet Jupiter are combining, suggesting that this relationship is blessed with good fortune and a happiness in the short term; however, a long-term relationship may be fraught with insecurities. Initially Justin and Jessica feel a strong sense of togetherness, sharing many new and varied activities. Both Justin and Jessica feel that the other person is contributing positively to their lives. They feel more alive within this union. Gradually the excitement wears off and they become aware that they have very different philosophies on life. Whereas once Justin felt that his life purpose was expanded by the forward moving energy of Jessica, now he feels that Jessica doesn't know when to stop. He becomes aware that Jessica's values are very different and that this is hindering his ability to express his full potential. Jessica was once excited by the strength of Justin's purpose in life. However, now Jessica feels that her path is being blocked by Justin's stubborn personality. This combination brings benefits to the couple in the first throes of the relationship, but it is going to take work to maintain the relationship. The long-term success of this association depends on other connections between Justin and Jessica.

### *Justin's Sun is Square Jessica's Chiron (Orb 6°28')*

This combination of the Sun and the asteroid Chiron is a difficult one, presenting both Justin and Jessica with the challenge of reassessing their life goals in order that they may head in new directions. This relationship is a significant one enabling both Justin and Jessica to grow and change, but only after some soul searching. As a result of this union Justin may discover new talents and a new sense of self and Jessica may find a new role as a teacher or healer. However, initially they have to overcome old hurts, which stand in the way of honest communication. The path to greater self-understanding is not always smooth and this relationship is one of the

lessons on the journey. Through delving into past hurts, this union can be a healing one and through each other Justin and Jessica can learn valuable lessons. It is important that Justin and Jessica develop compassion and understanding for each other. Otherwise they may unwittingly contribute to further emotional pain.

### *Jessica's Mercury is Trine Justin's Jupiter (Orb 5°39')*

This is a positive combination of the planets Mercury and Jupiter and provides inspiration in any relationship whether it is a friendship, work association or more intimate union. Both Jessica and Justin discover new worlds through their association. They enjoy broadening their minds through overseas travel or by learning about different cultures in books and study courses. Philosophy, metaphysics and religion are topics of conversation, which stimulate and expand their minds. It's also possible that Jessica and Justin pursue activities connected with philanthropic or philosophical ideologies. In particular Jessica's mind is extended through her relationship with Justin. Jessica is willing to listen and accept the wisdom of Justin's ideas. In turn Jessica is able to provide ways in which Justin can better communicate his ideas. Together they are able to grow and learn.

### *Justin's Mercury is Trine Jessica's Pluto (Orb 3°42')*

An intense relationship is the result of this combination of the planets Mercury and Pluto, with communication playing a key role. Consequently it is vital that both Justin and Jessica communicate honestly, keeping all emotions and thoughts out in the open. This helps them to keep the relationship dynamic rather than volcanic. If Justin and Jessica enjoy penetrating discussions and passionate pastimes then all is well. If they don't then their union could become overwhelming, particularly for Justin. Together they experience a change of perception which is ultimately rewarding, although initially could be disruptive. Notably Jessica challenges Justin's way of viewing the world. This can be an excellent combination for personal and spiritual growth. Consequently it is an ideal combination for a therapist and client relationship. It can also be beneficial for an intimate relationship or friendship, if both partners enjoy intensity, and a demanding working association.

### *Justin's Mercury is Square Jessica's Uranus (Orb 4°16')*

A lively and unpredictable relationship is the result of this combination of planets. Justin and Jessica enjoy the meeting of two minds and the sense of freedom that they experience in each other's company. At first they both enjoy the tension that crackles between them, but this soon becomes irritating. The problem is that there is no peace to be experienced in this relationship. The constant tension of two people having different ideas is a challenge. What seemed like a meeting of two minds soon becomes a clashing of two minds. Another obstacle to a close bond is a lack of commitment. As the relationship develops Justin and Jessica realise that it is difficult for them to predict the outcome of their union. In particular Justin experiences discomfort because of Jessica's unreliability. Even if Jessica is usually a reliable person, she seems unable to be constant in her association with Justin. This is a difficult combination for a personal relationship, although it can work depending on other aspects of the relationship. It is difficult to find a balance in a friendship or work association.

### *Jessica's Mercury is Square Justin's Chiron (Orb 2°31')*

This is a difficult combination of the planet Mercury and the asteroid Chiron. Jessica and Justin have difficulty communicating in a manner that is rewarding. Instead they seem to hurt each other's feelings through saying the wrong thing. In particular Justin seems to upset Jessica. The problem is that old hurtful memories surface in this relationship. Jessica and Justin have subconsciously attracted each other in order to learn valuable life lessons, but the journey is not smooth. Jessica is particularly sensitive to the words used by Justin, and has difficulty listening with emotional calm. Jessica may accuse Justin of being insensitive and uncaring; however, Justin feels wrongfully accused. He genuinely struggles to find a better way of communicating what he means. These misunderstandings could lead to a breakdown in the relationship, or they could finally result in a better understanding of themselves and each other. Either way compassion is a key ingredient to successfully overcoming past hurts and developing loving communication.

### *Jessica's Mercury is Opposite Justin's North Node (Orb 5°03')*

Good communication is the key to many successful relationships. This union between Jessica and Justin is on

the right track, despite a few disagreements along the way. There is a strong bond, which is likely to be intellectual rather than emotional.
